

Gas spring wall mount for IWB

SmartMedia's wall mount for interactive whiteboards is height-adjustable thanks to a manual gas spring system.

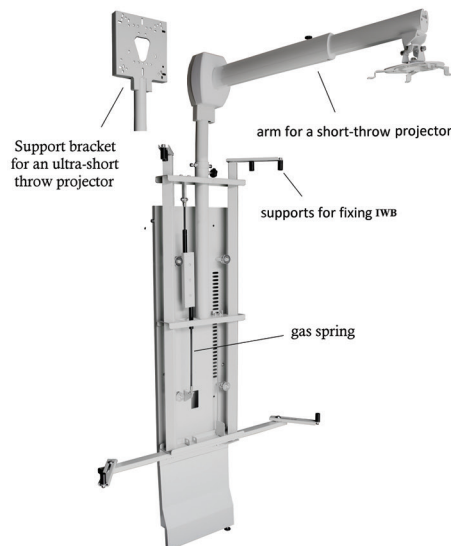

It can lock in place at the right height for your students.

The whiteboard has 18" of height adjustment. It is available with an extension arm for a short-throw projector or with a support bracket for an ultra-short throw projector.

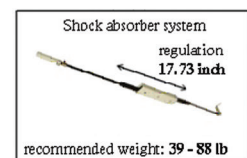

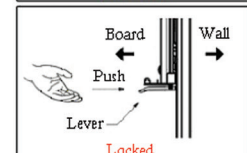

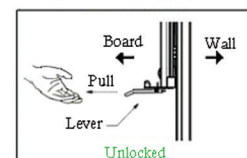

It is compatible with the interactive whiteboards ranging in size from 78" to 105" diagonal.

Specifications:

Max weight supported: 88 lbs. Heights of whiteboard supported: from 44 1/2" to 61". Size min (W x H x D): 100 x 207 x 26 cm - Size max (W x H x D): 100 x 252 x 26 cm
