

## Trolley for 42- to 70-inch monitors

Stable,  
portable and  
convenient

TR-UN

Our trolley TR-UN is the perfect solution when needing to continually move the monitor from one room to another safely and quickly. The height is adjustable during installation and there is a wide shelf that provides space for a laptop, speakers and/or other accessories. The structure is made of steel and with rounded corners and non-toxic paint, it meets current safety and toxicity standards.

### SPECIFICATIONS:

- Compatible with any 42- to 70-inch monitor with VESA mount (Dimensions: approx. 43 x 20 inches)
- Maximum supported load 175 lbs.
- Equipped with 4 locking casters
