

## Mobile stand for monitors

**Stable,  
portable and  
convenient**

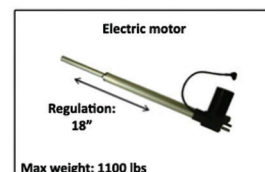

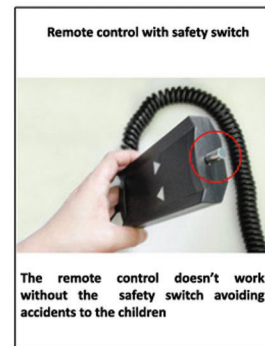

TR-DIM

SmartMedia's mobile stand for monitors (TR-DIM) is height-adjustable (travels 18"), thanks to an electric motor with a remote control and safety switch. It comes with standard VESA mounting and locking casters. Supports any monitors from 32" to 90", weighing up to 264 lbs.

Optional accessories: this locking storage cabinet (ASN-DIM) is great for notebooks and accessories. It is made of steel, and fits notebooks with displays up to 17". It can be used as a shelf when opened and is ideal to protect your equipment when locked.

A complete system to move your monitors from room to room and allow any users to properly adjust the height of the screen for optimal usage. Size min (L x H x D): 39.37" x 69.68" x 26.77" – Size max (L x H x D): 39.37" x 75.19" x 26.77"
